Incorporated in Poland with registered number KRS 158506. The Company's registered address is W upadlosci, Emilii Plater 53 street, WFC 11 floor Regus office, 00-113 Warsaw, Poland.

Joint Supervisors' Annual CVA Progress Report

I write to provide you with the Joint Supervisors' annual progress report (“Annual Report”), which includes details of the progress of the CVA of the Company. This Annual Report covers the 12 month period from 16 May 2018 to 15 May 2019 and should be read in conjunction with the CVA Proposal dated 5 April 2017. The Company is also in Administration and this Annual Report should be read in conjunction with the Joint Administrators' previous reports, the Joint Administrators' Statement of Proposals dated 23 February 2009 and interim update dated 15 November 2016 as well as the most recent Administration progress report dated 11 February 2019.

Additional copies of this Annual Report, and the previous reports referred to, can be made available on request or can be obtained at the following address www.emeanortel.com.

Capitalised terms used in this Annual Report shall have the same meaning as set out in Annex 1 (*Definitions and Interpretation*) of the CVA.

Brief Background

On 5 April 2017, the Joint Administrators issued the Proposal for a CVA. A CVA is a legal process often used to facilitate distributions to creditors in complex situations. The CVA also provided a platform to resolve, in an equitable way, the threat of the Financial Support Directives (“FSD”) that had been brought by the UK Pension Regulator (the “Regulator”) against the Company and certain other EMEA entities in the Nortel group.

In summary the proposed CVA sought to:

- Resolve the FSD claim which could have otherwise significantly diluted and/or delayed returns to creditors;
- Provide a mechanism for the Joint Administrators as Joint Supervisors to determine creditor claims and distribute funds as quickly as possible; and
- Impose a bar date, being 17 September 2017 (“the Bar Date”) by which pre-appointment claims against the Company were to be submitted to the Joint Supervisors, allowing distributions to occur in a timely manner.

On 16 May 2017, meetings of both the Company’s creditors and members were held to vote on the Proposal. The Proposal was approved by both the Company’s creditors and members and the Effective Date occurred on 17 May 2017.

The CVA is being supervised by the Joint Supervisors, being A R Bloom, S J Harris, A M Hudson and J Hewitt-Schembri, who act as agents of the Company and without personal liability.

Claim adjudication and distributions to creditors

In accordance with the Terms of the CVA, the Joint Supervisors adjudicated the CVA Claims received in advance of the Bar Date. The total value of claims submitted was £2,160,420,938.80 (including a significant contingent claim submitted by the UK Pension Regulator), of which £12,938,029.55 has now been admitted for payment and £2,147,482,909.25 has been rejected.

In December 2017, in consultation with the Joint Supervisors, the Joint Administrators determined the amount of cash available to be paid to the Joint Supervisors to facilitate a first interim distribution to creditors. Subsequently, on 5 December 2017, the Joint Supervisors gave notice of the making of a first interim distribution of 95p in the £ to creditors with Allowed Claims (excluding certain subordinated claims which will only be paid when all other admitted unsecured claims and Commercial Interest on these admitted unsecured claims has been settled in full, to the extent that sufficient assets are available to pay them).

On 17 August 2018, having completed the adjudication of all creditor claims, the Joint Administrators declared and paid a second interim distribution of 5p in the pound, to unsecured non-subordinated creditors with Allowed CVA claims and 61p in the pound to subordinated intercompany claims. In addition, non-subordinated unsecured creditors were paid post-petition interest at a commercial interest rate of 5.46% per annum in line with the terms of the CVA.

The CVA Joint Supervisors currently anticipate making a final distribution to subordinated intercompany claims in 2019, subject to finalising certain tax compliance matters.

CVA Modification

Following the distribution on 17 August 2018, the Joint Supervisors were aware that two creditors, who were distributed to by cheque, had not cashed their cheques. These cheques totalled £1,632 in

value. The implication of this was that, absent a modification of the CVA, the CVA would be required to continue for a period of one year from the issue of the uncashed cheques. Only after the expiry of this period could the funds be returned to the Joint Administrators and the CVA be terminated.

Given this, the Joint Supervisors determined, that it would be in the best interests of the CVA Creditors and expedient to modify the CVA to the effect that if there are any cheques uncashed at the time when the CVA is terminated, the Company will transfer the value of these cheques to Nortel Networks UK Limited (in administration) (“NNUK”) and that NNUK would hold these funds for the benefit of the beneficiaries of these cheques until a period of one year from the date of the final distribution, at which time any unclaimed funds will be donated to a registered charity.

A copy of the CVA modification can be located on the Nortel website www.emeanortel.com.

Nominees’ and Joint Supervisors’ time costs

The period from which the decision was made to propose a CVA to creditors until the CVA is approved by creditors represents the period where the Joint Administrators acted as the Nominees. This period, together with the period since the approval of the CVA, shall be referred to as the “CVA period” in this section.

The Nominees’ costs are those costs incurred by the Nominees during the period leading up to the approval of the CVA.

The Joint Supervisors’ time costs are those time costs incurred following the approval of the CVA by the creditors on 16 May 2017.

The Nominees and Joint Supervisors of the CVA have incurred “Direct Time Costs” of £19,070.00 and £72,335.30 respectively in the CVA period to 15 May 2019, totalling £91,405.30.

In addition, during the CVA period, the Joint Supervisors have apportioned between certain Nortel EMEA entities (which are also in a CVA process) certain central time costs for workstreams undertaken for the benefit of the Nortel EMEA entities (“General Time Costs”). During the CVA period to 15 May 2019, £32,239.42 of Nominees’ General Time Costs and £2,104.04 of Joint Supervisors’ General Time Costs were allocated to the Company in respect of these apportionments.

The Nominees’ and Joint Supervisors’ total time costs, including both Direct and General time, for the period to 15 May 2019 are £125,748.76.

In accordance with the Clause 30.7 of the terms of the CVA, the CVA Creditors’ Committee has previously approved certain of these time costs for the period to 15 May 2018, totalling £94,459.46. This leaves an outstanding balance of time costs to be approved of £31,289.30 for the period from 16 May 2018 to 15 May 2019. The Joint Supervisors will seek the approval of the English Court for their time costs for the period from 16 May 2018, as appropriate, in due course.

A summary of the time costs incurred for the CVA period to 15 May 2019 are appended to this Annual Report for creditors’ information (see Appendix 1).

Remuneration of the Joint Supervisors is governed by the terms of the CVA. Further information is given in the Association of Business Recovery Professionals’ publication ‘A creditors’ guide to insolvency practitioners’ fees under voluntary arrangements’ a copy of which may be accessed from the website of the Institute of Chartered Accountants in England and Wales at <https://www.icaew.com/en/technical/insolvency/creditors-guides> or is available in hard copy upon written request to me.

Receipts and Payments

Attached at Appendix 2 is the Joint Supervisors' receipts and payments ("R & P") account for the CVA period to 15 May 2019 in respect of the Company.

As at 15 May 2019, the Company held cash of £131.10 in the Joint Supervisors' bank accounts.

Further detailed notes in respect of the R & P account for the period to 15 May 2019 are provided at Appendix 2.

Outstanding Work and Exit Strategy

The Joint Administrators expect that the CVA Supervisors should be able to make a final distribution to subordinated intercompany claims within 2019.

At that point, it is anticipated that the purpose of the CVA will have been met and as such, the CVA will be terminated in accordance with the Terms of the CVA.

Once these steps are complete and the Joint Administrators have finalised their planning in respect of the liquidation of the Company in Poland, the Joint Administrators anticipate making an application to Court for an order to terminate the Administration of the Company and for their appointment to cease to have an effect from the date of the appointment of a liquidator under local law.

The Joint Administrators continue to finalise their plans and assessment of the necessary steps to liquidate and ultimately dissolve the Company in accordance with the law in Poland and continue to obtain local legal and accounting advice in this regard.

The Joint Administrators will continue to update creditors as matters progress towards a final distribution and the liquidation of the Company and will be updating the websites: www.emeanortel.com and <https://cva.emeanortel.com>.

Once the CVA of the Company is terminated we expect to provide you with a final report covering the period from 16 May 2019 to termination.

We should like to take this opportunity to thank the creditors of the Company and the Creditors' Committee for their continued support during the administration and the CVA of the Company.

Yours faithfully
For and on behalf of Nortel Networks Polska Sp. z o.o.

S J Harris
