Creditors should note the following extracts of Part 15 of the Insolvency (England & Wales) Rules 2016, which, among other provisions of the Insolvency Act 1986 and the Insolvency (England & Wales) Rules 2016, provide as follows:

Rule 15.28 Creditors' voting rights

15.28(2) In the case of a meeting, a proxy-holder is not entitled to vote on behalf of a creditor unless the convener or chair has received the proxy intended to be used on behalf of that creditor.

15.28(5) In a decision relating to a proposed CVA every creditor, secured or unsecured, who has notice of the decision procedure is entitled to vote in respect of that creditor's debt.

Rule 15.31 Calculation of voting rights

15.31(1)(d)(ii) Votes are calculated according to the amount of each creditor's claim at the date the company entered into administration (less any payments made to the creditor after that date in respect of that claim) where it is in administration.

15.31(2) A creditor may vote in respect of a debt of an unliquidated or unascertained amount if the convener or the chair decides to put upon it an estimated minimum value for the purpose of entitlement to vote and admits the claim for that purpose.

15.31(3) But in relation to a proposed CVA, a debt of an unliquidated or unascertained amount is to be valued at £1 for the purposes of voting unless the convener or chair or an appointed person decides to put a higher value on it.

15.31(4) Where a debt is wholly secured its value for voting purposes is nil.

15.31(5) Where a debt is partly secured its value for voting purposes is the value of the unsecured part.

15.31(7) No vote may be cast in respect of a claim more than once on any resolution put to the meeting; and for this purpose (where relevant), the claim of a creditor and of any member State liquidator in relation to the same debt are a single claim.

15.31(8) Paragraph (7) does not prevent a creditor or member State liquidator from (a) voting in respect of less than the full value of an entitlement to vote; or (b) casting a vote one way in respect of part of the value of an entitlement and another way in respect of some or all of the balance of that value.

Rule 15.34 Requisite majorities

15.34(1) A decision is made by creditors when a majority (in value) of those voting have voted in favour of the proposed decision, except where this rule provides otherwise.

15.34(3) A decision approving a CVA proposal or a modification of a proposed CVA is made when three-quarters or more (in value) of those responding vote in favour of it.

15.34(4) In a proposed CVA a decision is not made if more than half of the total value of the unconnected creditors vote against it.

15.34(5) For the purposes of paragraph (4) –

(a) a creditor is unconnected unless the convener or the chair decides that the creditor is connected with the company;

(b) in deciding whether a creditor is connected reliance may be placed on the information provided by the company's statement of affairs or otherwise in accordance with the Insolvency (England & Wales) Rules 2016; and

(c) the total value of the unconnected creditors is the total value of those unconnected creditors whose claims have been admitted for voting
